Addendum to
University of Missouri Application for University–Owned Student
Apartments

I, the undersigned, am applying as a family student for new or continued housing with the
University Student Apartments.

I understand that to qualify as a family student my spouse/domestic partner and/or child(ren)
must reside in the apartment with me and that I must provide the proper documentation. I
further understand that, should my family status change, I am obligated to notify the
Residential Life University Student Apartment office. Should the marriage or domestic
partnership end or my child custody arrangement change, it may result in an adjustment to or
termination of my housing assignment. If I am no longer eligible and my housing contract is
terminated, I understand that I must move from my assigned apartment within 14 calendar
days.

I certify that the above information is correct and understand that my housing application may
be declined or my housing contract rescinded/cancelled if my housing situation is found to be in
conflict with the statements on this addendum.

The parties requesting housing are in agreement with the above and indicate this agreement by
signing below.
