Well, we have to have a few rules and logistics in place or it would be too crazy to manage. To help make your move-in day smooth, we’ve gathered information to help you and your family prepare for move-in day.

Be sure to review our checklist on the back of this page, and check out reslife.missouri.edu/movintomizzou before you leave home.

On our website, you’ll find:

• move-in policies and unloading procedures
• what to bring and what NOT to bring
• what day is your move-in day
• where to download move-in maps in early August to see what streets are going to be closed or one-way and where special move-in parking for your hall is located
• how to verify your check in on myHousing before you leave home to speed up the check-in process when you arrive
• the link to the Residence Hall Rules and Regulations for living in the halls

SO, HOW DO WE MOVE THOUSANDS OF STUDENTS INTO MIZZOU IN ONE DAY?

Expect traffic! You might think you know campus, but you don’t know campus on move-in day! Download your move-in map so you know what to do. You don’t want to be in the wrong line!

“20 Minutes to unload? What?”... says the guy who didn’t read Movin’ to Mizzou.

Wear appropriate shoes!

This student is happy because she “verified her check-in” BEFORE she got to campus.

& BRING A DOLLY!
And put your name on it. They all look the same!
